DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Amendment After Final, filed March 15, 2006, with respect to claims 1-8 have been fully considered and are persuasive. The rejection of claims 1-8 has been withdrawn.

Allowable Subject Matter

2. Claims 1-8 are allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a direction indicating device comprising: a display directional section determining unit that determines a current display directional section in consideration of historical information of the directional section of the vehicle specified by the directional section specifying unit and a previous display directional section in combination with the remaining limitations of the claims.

Where the "historical information" is defined to be a current direction of the vehicle, a previous direction of the vehicle, and a second previous direction of the vehicle, as defined on page 4, lines 28-30 of the Specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
